

Welcome!

DEAR FAMILIES,

WELCOME BACK TO THE AUTUMN TERM. WE ARE LOVING THE NEW COLOURS OF AUTUMN WE HAVE BEEN SEEING! IT IS A WONDERFUL TIME FOR CHILDREN TO GO OUT AND EXPLORE THEIR NATURAL ENVIRONMENT. WE HAVE BEEN ENJOYING THE NEW TERM AND ALL THE ACTIVITIES AND EXPERIENCES WE HAVE PLANNED FOR THE CHILDREN, AS WELL AS CELEBRATING DIWALI AND HALLOWEEN. PLEASE MAKE SURE TO LOOK AT OUR WEBSITE AS WE WILL HAVE UPDATES FOR THE UPCOMING EVENTS WE HAVE PLANNED AS IT IS NOW THE LEAD UP TO CHRISTMAS! PLEASE LET ME KNOW IF YOU HAVE ANY QUERIES OR SUGGESTIONS AND I WILL BE MORE THAN HAPPY TO ASSIST YOU.

KIND REGARDS,

LISA KEARNE

BUSINESS SERVICES MANAGER

Cooking!

This month we have had loads of new starters and it has been great to watch them come in and settle in and get to know each other as well as the staff. The children took part in pretending to make their own pizza by picking up play dough and dishing it out fairly between themselves as if it was pizza, they rolled and patted it!

Inside Play!

This month the children have been doing a lot of sensory play, they have been filling and emptying plastic containers using a spade! Zack specifically enjoyed this activity and when the pasta dropped on the floor he took it upon himself to get the dustpan and brush and clean it while saying "I clean it".

Focused Activity!

In the focused activity this week the children have been learning about healthy eating, they watched videos about eating healthy and keeping healthy by doing different exercises. The children took part in an activity where they had their own food plates and then they were able to cut out different foods and stick it down to their own plate, this promotes healthy eating!

Sensory Play!

In the sensory area the children participated in dying the spaghetti and watching it change colour as they did it, they were also able to see the texture change as the spaghetti went wet, this allows them to explore the change in textures while also being able to get familiar with different colours. The children thoroughly enjoyed this activity together!

Paint Play!

This particular activity was set for the children to communicate with each other and go on a hunt to find different shapes, there were many different shapes all around the nursery that the children could find or use, once they found the shapes they were able to use them with paint to discover what marks they left behind.

In the creative area this month the children have been talking about making patterns with different objects, the object used this month was a toothbrush, they were able to make textured patterns using the bristles of the brush, this kind of activity is creative and expressive play!

July - August 2022

Labelling Personal Items

Can all parents / guardians and carers please ensure that all personal items are labelled with your child's name. We have lots of children in and out every day and do not want to mix their belongings up.

Nursery Information

If your child is applying for school nursery, please can you make the nursery staff aware when they will be leaving

Please make sure children are wearing appropriate clothing for the weather

Child Illness

This is just a reminder for parents that if your child requires Calpol or any other over the counter medication for general illnesses, they are not allowed to attend nursery. Please ensure you communicate with the nursery if your child will not be attending.
