Foil Painting!

The babies really enjoyed a foil painting activity, they used different mark making tools such as brushes, sponges and also their hands to form a variety of marks. Activities like these support babies with their fine motor skills supporting them in developing simple marks, it also helps them learn about colour.

Water Play!

This month the babies have really enjoyed playing with water while using different objects. Children enhance their gross motor skills, coordination and physical fitness through lifting, pouring, carrying, running and splashing, while actions such as squeezing help to develop the small muscles in a child's hands.

Outside Play!

The toddlers have really enjoyed physical play in the garden they have enjoyed playing on the bikes pushing them along with their feet, they have also been practicing using the pedals. They have had lots of fun climbing on the slide using the steps one at a time. Playing outside is good for the childrens physical development and communication skills.

King's Coronation!

The children had lots of fun celebrating the Kings Coronation! They enjoyed a royal tea party in the garden and let off canons to celebrate. They also made our very own crowns and created book marks. We also used our fingers to decorate British flags that we hung all around the nursery. The children got to play all day and do loads of different fun activities, this is very good for their communication skills and their own self-esteem development.

Focus Activity!

The children in preschool room have been experimenting in the sand tray. They have been using their hands to mould and also enjoyed looking for different objects that were hidden in the sand. The preschool children enjoy talking about going to the beach and what they could find when they were there.

Labelling Personal Items

Can all parents / guardians and carers please ensure that all personal items are labelled with your child's name. We have lots of children in and out every day and do not want to mix their belongings up.

Nursery Information

Can all parents / guardians and carers please ensure your child has a water bottle and appropriate clothing on warmer days, i.e. sun hat. Sun cream can be applied at the setting if provided.

2023

A reminder for parent's/carers half term is from Monday 29th May to Friday 2nd June 2023.

As the warm weather is approaching, please can parents remember to put children in appropriate clothing for nursery, remembering for warmer days sun hats and sun cream
