

Welcome!

DEAR FAMILIES,

WE HOPE YOU ARE ALL WELL. THANK YOU FOR TAKING THE TIME TO READ OUR MONTHLY NEWSLETTER THAT SHOWS YOU SOME OF WHAT WE HAVE BEEN UP TO. WE PROVIDE A RANGE OF DIFFERENT ACTIVITIES THROUGHOUT THE DAY THAT IS PLANNED FOR WEEKLY. WE ENSURE THESE ACTIVITIES OFFER SUPPORT AND ALSO PROMOTE CHALLENGE TO OUR CHILDREN. IF YOU HAVE ANY QUERIES/COMMENTS/FEEDBACK/SUGGESTIONS PLEASE CONTACT US DIRECTLY ON LMNS@LITTLE-MARVELS.CO.UK. PLEASE ALSO FOLLOW, LIKE AND SUPPORT OUR SOCIAL MEDIA PAGES: @LITTELMARVELSNURSERYSERVICES ON INSTAGRAM AND @LITTELMARVELSNUSERYSERVES ON FACEBOOK.

KIND REGARDS,

LISA KEARNE

BUSINES MANAGER

Outside play!

This month the children also played outside a lot, the children really enjoy getting their favorite books and going outside and reading them to their peers. Reading to young children is an important way to help them build language skills. It exposes them to new words and ways of using language.

Imagantive Play!

This month the children used tissue paper to make rockets and pretend that they were going the space to see the planets. This is good because through imaginative play children learn critical thinking skills, how to follow simple directions, build expressive and receptive language, increase social skills and learn how manage their emotions.

Sensory Play!

This month the children took part in alot of sensory play, they used different objects and played with them in flour. Sensory play is a lot of fun. It also offers many benefits for child development, including: Helping children understand how their actions affect what's around them. Supporting brain development, enhancing memory, complex tasks and problem solving.

Dot To Dot!

Zoey was able to join the dots of her name and recognised the letters in her name. She shows good pencil control. Dot to dot puzzles can help the children to improve their fine motor skills by learning how to grip a pen or pencil. They'll start to work out how hard they need to press on the paper as they improve their writing skills.

Focus Activity!

Tanvi, is holding her cracker as she uses the knife with her right hand to spread the butter. Tanvi shows awareness of how to use the tools safely. This gives the children a sense of independence, using real knives helps develop fine motor skills and it makes the child feel a sense of belonging, and it's an valuable skill they can carry with them to adulthood.

Zakariya, was playing with different wild animals he also enjoyed making sounds of the animals. Zakariya said that the lion is making a "ROAR" sound. This activity is good for physical development and allows children to improve their strength, balance, coordination and gross motor skills. When children play with animal figurines, they also have to use their hands to hold, grasp and manipulate these toys.

Term Dates	Summer Holidays	19th July- 5th September 2023

Labelling Personal Items

Can all parents / guardians and carers please ensure that all personal items are labelled with your child's name. We have lots of children in and out every day and do not want to mix their belongings up.

Nursery Information

Please can all parents be minful that the weather is getting hotter so please remember sun hats, water and suncream!

If your child has had any medicine before coming to nursery please ring ahead and speak to nursery staff

Child Illness

This is just a reminder for parents that if your child requires Calpol or any other over the counter medication for general illnesses, they are not allowed to attend nursery. Please ensure you communicate with the nursery if your child will not be attending.
